

## **DEPARTMENT OF SHALAKYA TANTRA**

It is a branch which deals with the health care of Eye, Ear, Nose, Throat, Oral & Dentistry and Head. These being the vital sensory organs, there is a direct need to protect and preserve the health of these organs, hence known as Urdhawanga Chikitsa Tantra.

It has Outpatient departments for Eye, ENT and Dental separately, with well equipped Kriya Kalpa Unit, Eye Exercise Unit and minor operation theatre for Eye & ENT separately. The in-patient unit caters to the health seekers by providing care through surgical procedures and kriya kalpas (special eye treatment procedures) that are both curative and preventive.

VISION -

Eternal Science for adequate sensual perception

MISSION -

To prepare the Ayurvedic graduates to cater to their health needs.

Hand Surgical training to provide clinical excellence.
