

DEPARTMENT OF SHALYA TANTRA

“SURGERY IS A PAINFUL PROCEDURE TO RELIEVE PAIN”

Shalya Tantra embraces all processes aiming at the removal of factors responsible for producing pain or misery to the body or mind. Sushruta took surgery in medieval India to admirable heights and that era was later regarded 'The Golden Age of Surgery' in ancient India.

Following the path of Sushruta this institute aims at providing the best theoretical knowledge of surgery along with the surgical procedures including minor and major cases.

Shalya Tantra department is compiled with many sub divisions highlighting and having emblem of each and every aspect of surgical importance in present era. The department starts with its main department along with hospital including OPD, Minor OT, Major OT, Dressing room, Pre and Post ward, Ksharsutra room, IPD and Recovery room.
